ORDER WITHDRAWING DECISION AND ORDER

On March 6, 2008, the Petitioner filed a Request for Review of the Decision and Order that issued in this case. In the Request for Review, the Petitioner argues that dismissal of the petition was inappropriate and alternatively, the matter should have been referred to the National Mediation Board for an advisory opinion regarding whether the Employer is covered by the jurisdiction of the Railway Labor Act (RLA). I have decided to consider the Petitioner's Request for Review as a Request for Reconsideration of my Decision that the Employer is subject to the jurisdiction of the RLA and my dismissal of the petition. Based on my review of the arguments raised by the Petitioner, I have decided to withdraw my Decision and Order and I will subsequently issue an order transferring the case to the Board for further proceedings.

ACCORDINGLY, IT IS ORDERED that the Decision and Order that issued in this matter on February 22, 2008 is hereby withdrawn.

Dated: March 11, 2008
